Hi Mr. / Mrs. **[Principal's Name]**___,

I'm preparing a school wide family photo project for the fall semester. It's a great way to make our school community feel that we are a place of belonging, especially for the many grandparents who are still raising children. I will consult with our front office clerk to find out more about photo permissions. Do you have any input or questions at this time? I'm available to chat!

Thanks,

Jamie,
Your FRYSC Coordinator

P.S. I'd be honored if you would like to be one of the first to share a family photo for our school community, and maybe a few words about what family means to you!
